

DECURA TOTAL BODY

Liquid detergent with decongestant and soothing action for the whole body.

FEATURES

Liquid soap with decongestant and soothing action with a gentle formulation enriched with dermoprotective components and glycerine extracts of cardamom and olive from organic farming. For a complete and natural hygiene of the whole body. Its particular formulation respects the hydrolipidic mantus of the skin and is therefore suitable for use even in cases of particularly sensitive or delicate skin.

SPECIAL PROPERTIES

- Gentle liquid detergent for total body
- Isodermic pH (5.5)
- Dermatologically tested
- Decongestant and sanitizing action
- SLES and SLS-free
- With natural cardamom extracts
- Synergy with the properties of cardamom and olive tree extracts with anti-inflammatory, antioxidant and astringent action.

FIELDS OF USE

DECURA TOTAL BODY is indicated for the sanitation and cleansing of the whole body and can be used for:

- Hospital-Health sector
- Institutional and Industrial sector
- Food industry
